

# Thesis' Complete Title

Student: Student's Name

Coordinator: Coordinator's Name

Technical University of Cluj-Napoca, Romania

June 2015

## Outline

### 1 Introduction

- What? (Paper's Theme Overview)
- Why? (Motivation)
- How? (Proposed Solution)

### 2 Design and Implementation

- Design
- Implementation

### 3 Tests and Results

- Test Setup
- Functional Tests
- Performance Tests

### 4 Conclusions and Future Work

What? (Paper's Theme Overview)

# Description

What? (Paper's Theme Overview)

# Objectives

Why? (Motivation)

# Context

How? (Proposed Solution)

## Proposed Approach

- very brief: 2-3 ideas about your approach

Introduction  
○○○○

Design and Implementation  
●○○○

Tests and Results  
○○○○○

Conclusions and Future Work  
○

Design

# Architecture

# Module 1

# Code Structure

## Implementation Details

# Test Setup

# Test 1 and Results

## Test 2 and Results

# Test 1 and Results

## Test 2 and Results

# Conclusions

## Future Work
